

School To Adult Transition Series

Information Sessions for Special Needs Students and Their Parents

When: September 23, 2009

6:00 - 7:30PM

Where: Janet Clemmons Center
282 N. Fair Avenue
Hamilton, OH 45011

Parent Session Topic: Project SEARCH
Project LIFE

Teachers Tony Huff, Rosi Wood, Jill Haenning and Angela Forcyce will speak about Project SEARCH & Project LIFE. They will be discussing the four current Butler County Programs, how they work, who is eligible, how to apply for these programs and the possibility of future growth of these programs. These are a couple more options you have as your son or daughter moves from high school to the adult world. It is never too early to be thinking about all of our options for our sons and daughters.

All Parents are welcome!

Student Sessions will be facilitated by WorkPlace Associates and EPRO/Empowered People Reaching Out. Topics include employment awareness, planning and preparation for the world of work and Self-Advocacy.

Students must register for the Student Sessions (if they have not previously) and be eligible for Butler County MRDD services. Please feel free to contact me if you have any questions.

To Register, Call:

678-9195

Or Email Patty Oehler at patty39@aol.com

Future Parent/Student Sessions will be held on October 14th, October 21st, and November 4, 2009. All sessions will cover different topics.

Please remember to check out the MRDD Transition website at www.butlermrdd.org and click on Transition.
